Gina H.
Product Management 4ever
September 11, 2018, Gina worked with Jeff in the same group

I have the privilege of calling Gina both a colleague and a mentor.

Gina is a valuable asset to any team. She is incredibly sharp, analytical and thoughtful - she is a great thought partner for any problem, and consistently comes to the table with great (and often inspiring!) ideas.

She is also a great leader and mentor. She takes time to listen to her team members, is empathetic, and has a very positive attitude, all of which make her fantastic to work with and be around.

I would highly recommend Gina, and hope to have the chance to work with her again in the future. [See less](#)
